“Being a member of EMVB opens a door to so many resources we otherwise wouldn’t have access to. It’s definitely worth joining!”

-Laurie Cimino, Highland Real Estate & Dushore Area Business Association

“We greatly value our membership to the EMVB. We see benefits from brochure distribution, visits from travel writers, promotion on endlessmountains.org and their social media outreach, as well as education in promotion and a resource that connects us to other local businesses and organizations.”
